APPROVE ENTERING INTO A NEW CONTRACT TARIFF FOR DEDICATED ACCESS SERVICES

Approve entering into a new Contract Tariff with AT&T for the providing of dedicated access services for the Office of Technology Services at a cost for the term not to exceed \$20,000.00. This contract tariff is required to ensure the continuity of the E-Rate program. A written document is currently being negotiated. No payment shall be made to vendor during the term prior to the execution of the written document. The authority granted herein shall automatically rescind in the event a written document is not executed within ninety (90) days of the date of this Board Report. Information pertinent to this agreement is stated below:

TERM: The term of this agreement is for one year commencing July 1, 2002 and ending June 30, 2003. The term coincides with, and allows for the Board's participation in, Year 5 of the E-Rate program.

SCOPE OF SERVICES: AT&T will provide dedicated access circuits to support long distance telephone service and optional local digital services for the CPS Central Service Center ("CSC"). The contract tariff applies to AccuNet T1.5 access and connections, multiplexing office functions and 1.544 Mbps local channel services and access coordination. The total value of this contract will be billed in monthly invoices based on tariff rates. Long distance calls generated by the CSC will be routed over the dedicated facilities, and the usage will be billed at the lower "dedicated" rates per minute (rather than "switched") negotiated under the Uniplan contract, pursuant to Board Report 99-0324-PR16.

DELIVERABLES: AT&T will provide the Board with dedicated access to long distances services for Fiscal -Year 2003.

OUTCOMES: The Board will receive dedicated access services for Fiscal Year 2003. Local distance calls generated by the CSC will be routed over the dedicated facilities, and the usage will be billed at the lower "dedicated" rates per minute (rather than "switched") negotiated under the Uniplan contract. The negotiated long distance rates and dedicated access are expected to save the Board \$40,000.00 annually.

COMPENSATION: AT&T shall be paid during this term as follows: upon monthly invoicing, not to exceed the sum of \$20,000.00. The services provided by AT&T are eligible for, but not contingent upon E-Rate discounts under the Federal Government's Universal Services program.

FINANCIAL: Charge to the Office of Technology Services: \$20,000.00

Budget Classification: 0960-552-000-1614-5430

Fiscal Year 2003 \$20,000.00

APPROVE THE RENEWAL OF THE AGREEMENT FOR LONG DISTANCE TELEPHONE SERVICES, DIGITAL LINK LOCAL SERVICE AUTHORIZATION AND TOLL-FREE 800 SERVICES

Approve the renewal of the agreement with AT&T for long distance communications services, digital link local services, toll-free 800 services and dedicated access services for the Office of Technology Services at a cost for the renewal period not to exceed \$250,200.00. This renewal is required to ensure the continuity of the E-Rate program. A written renewal agreement is currently being negotiated. No payment shall be made to vendor during the renewal period prior to the execution of the written agreement. The authority granted herein shall automatically rescind in the event a written document is not executed within ninety (90) days of the date of this Board Report. Information pertinent to this renewal is stated below.

ORIGINAL AGREEMENT: The original agreement dated April 5, 1999 (authorized by Board Report 99-0324-PR16) is for a twenty-four (24) month period commencing July 1, 1999 and ending June 30, 2001, with the Board having one option to renew for a one-year period. The Board exercised its option to renew (authorized by Board Report 01-0124-PR50) for a term commencing July 1, 2001 and ending June 30, 2002.

RENEWAL PERIOD: The renewal period is for twelve (12) months commencing July 1, 2002 and ending June 30, 2003. The renewal period is necessary to coincide with and allow for the Board's participation in Year 5 of the E-Rate Program.

SCOPE OF SERVICES: AT&T will continue to provide long distance telephone service switched over the existing Ameritech Centrex network to approximately 3,400 lines with an expansion capacity not to exceed 1,600 additional lines on a turn-key basis, and will include outbound traffic, inbound traffic, calling card traffic, multimedia services, Toll-Free 800 services, international services and Intra-LATA calling services. AT&T will also continue to provide local service upon the Board's request, monthly billing information in electronic format and billing management software for regular and ad-hoc electronic usage reports. The total value of this contract will be billed in monthly invoices based on actual usage, and is expected to save \$40,000.00 annually due to a reduction in long distance service rates.

DELIVERABLES: AT&T will continue to provide the Board with long distance services for fiscal year 2003.

OUTCOMES: The Board will receive long distance services for fiscal year 2003.

COMPENSATION: AT&T shall be paid during this option period as follows: upon invoicing, not to exceed the sum of \$250,200.00. The services provided by AT&T are eligible for, but not contingent upon, E-Rate discounts under the Federal Government's Universal Services program.
