Written extension agreements for services are being negotiated. No services shall be provided by any provider and no payment shall be made to any provider prior to the execution of such provider's written extension agreement. The authority granted herein shall automatically rescind as to each provider in the event their extension agreement is not executed within 120 days of the date of this Board Report. Information pertinent to these extensions is stated below.

**ORIGINAL AGREEMENTS:**

The original agreements (authorized by Board Report 14-0625-EX9 as amended by Board Report 14-0723-EX6) in the aggregate amount of \$55,000,000 are for a term commencing on July 1, 2014 and ending on June 30, 2016. The original agreements were awarded on a non-competitive basis pursuant to Board Rule 7-2.2(d).

**EXTENSION TERM:** The term of each agreement is being extended for a term commencing on July 1, 2016 and ending on June 30, 2017.

**SCOPE OF SERVICES:** Providers will continue to furnish one or more of the following services: early childhood center based educational services in a full day setting for preschool children ages 3 and 4; infant – toddler center based Prevention Initiative services in a full day setting for children ages birth to age 3; or Prevention Initiative Model Services to children ages birth to age 3 and their families. Programs must be developmentally appropriate and meet the needs of each age group and their families. Center based educational programs must include a Research Based Curriculum with activities that foster cognitive, language, physical, social, creative, emotional and personal (self-help) development. Prevention Initiative programs must be designed so that parents will gain knowledge and skills in parenting through implementation of a research based program model which will guide the provision of services and provide for coordination of services.

**DELIVERABLES:** Providers will continue to deliver appropriate educationally sound and research based preschool and/or infant toddler programs to eligible children enrolled in child care centers and/or case management and/or parent educational services to children and families eligible for the Prevention Initiative programs as described by the Illinois State Board of Education.

**OUTCOMES:** Providers' services will result in young children developing a strong foundation for learning and being better prepared to enter preschool and/or kindergarten. At-risk children and families will have access to coordinated services and extra preparation prior to kindergarten.

**COMPENSATION:** Each provider shall be paid quarterly upon invoicing based upon approved budgets and the number of children served during the prior quarter; the sum of payments to all providers during this extension period shall not exceed \$55,000,000 per year. The first payment shall be made within 30 days of contract execution; subsequent payments shall be made during the months of November, March, and June after all financial and program information including budget, certification, enrollment, expenditure documents and reports have been reviewed and approved by the Board.
