CHARTER RENEWAL PROPOSAL: Chicago Mathematics and Science Academy Charter School, Inc. submitted a renewal proposal on September 30, 2025 to continue the operation of the Chicago Mathematics and Science Academy Charter School ("CMSA"). The charter school shall continue to be located at 7212 N. Clark Street and shall continue to serve grades 6 through 12 with a maximum enrollment of 599 students.

The agreement will incorporate an accountability plan in which the charter school is evaluated by the Board each year based on numerous factors related to its academic, financial and operational performance.

CHARTER EVALUATION: After receiving the charter renewal proposal, the Office of Innovation and Incubation conducted a comprehensive evaluation of CMSA's academic performance, financial viability, and legal and contract compliance. This evaluation included a review of the proposal, academic results, financial performance, governance documents, parental issues, facilities surveys, and special education documentation. A public hearing was held on January 8, 2026 for all charter schools going through renewals to receive public comments, including CMSA. The Office of Innovation and Incubation

recommends that, based on the school's performance on these and other accountability criteria, as well as the school's demonstration of intent to satisfy the "Additional Terms and Conditions" referred to herein below, CMSA be authorized to continue operating as a charter school.
