APPROVE APPLICATION FOR A MODIFICATION OF ISBE RULE

THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

That the Chicago Board of Education (the "Board") approves the application for a modification of an Illinois State Board Education (ISBE) rule regarding the electronic No Child Left Behind (NCLB) School and District Improvement Plans.

PUBLIC HEARING AND NOTICES: Section 2-3.25g of the Illinois School Code requires the Board to consider the application and listen to public comments from staff, parents, and other interested parties. A Special Board Meeting will be held on February 13, 2014 for this purpose with notice provided through websites www.cps.edu and www.cpsboe.org at least fourteen days prior. Notice was also published in a Chicago newspaper and provided to State legislators representing Chicago and collective bargaining agents as required by Section 2-3.25g of the Illinois School Code.

DESCRIPTION OF APPLICATION: The request for a modification regarding the electronic NCLB School and District Improvement Plan is as follows:

Under Section 1116 of NCLB, each school identified for school improvement must submit a school improvement plan. Under the 23 Illinois Administrative Code Section 1.85(d), the ISBE requires that each revised school or district improvement plan must be submitted to the State Superintendent using an electronic format made available for this purpose. The ISBE currently requires that schools and districts submit these plans through the ISBE electronic system.

CPS schools currently prepare Continuous Improvement Work Plan (CIWP) every 2 years to satisfy the requirements set forth in Section 34-2.4 of the Illinois School Code. The CIWP is completed through the CPS electronic tool. In an effort to eliminate duplication of effort, CPS would like to use the CIWP which will at least include all the components required by NCLB and the ISBE's electronic system.

This modification would allow the district and its schools to use the CIWP to comply with its school improvement plan requirements.

AUTHORIZATION: Authorize the Chief Executive Officer to execute the application described above and submit it to the ISBE in accordance with Section 2-3.25g of the School Code.

APPROVE UPDATES TO THE 2012-2014 CONTINUOUS IMPROVEMENT WORK PLANS AND RELATED BUDGETS FOR SCHOOLS ON PROBATION AND FOR SCHOOLS WITH SCHOOL IMPROVEMENT STATUS

THE CHIEF EXECUTIVE OFFICER RECOMMENDS THE FOLLOWING:

Approve updates to the 2012-2014 Continuous Improvement Work Plans (CIWPs) and related budgets for Fiscal Year 2014 for schools on probation and for schools with state or federal school improvement status.

DESCRIPTION: The Chief Executive Officer is requesting approval of updates to the 2012-2014 CIWPs for correcting academic deficiencies and related FY2014 budgets for the schools noted on the attached Exhibit A. These schools are on probation under the Chicago Board of Education's Performance, Remediation and Probation Policy and/or are in school improvement status under the No Child Left Behind Act (NCLB) for the 2013-2014 school year.

In accordance with CPS's annual budget cycle, each school's 2-year CIWP (originally approved by the Board under Board Report 12-1219-EX2 for schools on probation status and/or in school improvement status at that time) has been updated for the second year and related budgets have been developed. The CIWPs were developed pursuant to Sections 5/2-3.25d and 5/34-2.4 of the Illinois School Code. Board approval of school improvement plans is required for schools placed on probation pursuant to Section 5/34-8.3 and schools designated by the Illinois State Board of Education (ISBE) as being in school improvement status pursuant to Section 5/2-3.25d. These plans include specific steps that the Local School Councils and school staff must take to correct deficiencies and specific objective criteria by which the schools' subsequent progress shall be judged.

Individual CIWPs and budgets were developed collaboratively at each school with the assistance of the Network Chiefs of Schools, the Office of Innovation and Incubation, the Academy of Urban School Leadership (AUSL), the Office of Management and Budget, Local School Councils, parent and community representatives and school personnel, as applicable. Each school's CIWP includes specific priorities and strategies, and each school's budget includes specific expenditures, identified for correcting educational and operational deficiencies that resulted in the school being placed on probation or in school improvement status. As applicable, a Parent Compact and Parent Involvement Plan were appended to the CIWPs.

Once submitted to the Network Chief of Schools Offices, Office of Innovation and Incubation, or AUSL, CIWPs were reviewed to ensure that: areas in need of improvement were addressed, the stated targets and activities were consistent with trend analyses and analysis of current conditions and that plans were supported by schools' discretionary school improvement (state and federal) funds.

Monitoring of and support for these CIWPs will be the responsibility of the Network Chief of Schools Offices, Office of Innovation and Incubation, Office of Strategic School Support Services, or AUSL, as applicable, with the assistance of the Office of Accountability and the Office of Network Support. The Network Chief of Schools, Chief of Strategic School Support Services, or the Chief Executive Officer of AUSL are authorized to modify a probation school's CIWP as necessary to correct deficiencies throughout the school year.

Copies of CIWPs will be available at each school, at each Network Office, and online at www.cps.edu.

FINANCIAL: Within budgetary appropriations.
