**Sean B. Harden President, and
Members of the Board of Education**

Enclosed is a copy of the **Agenda** for the **Board Meeting to be held on Thursday, September 25, 2025, at 10:30 a.m.** The meeting will be held at CPS Loop Office, 42 West Madison Street, Garden Level, Board Room. The Board and the Chief Executive Officer have determined that registered speakers who wish to present during Public Participation may have the option to participate in person at the location of the Board meeting or virtually via an electronic platform. The public will have access to the meeting via live stream at cpsboe.org.

Public Participation Guidelines are available on www.cpsboe.org.

For the September 25, 2025 Board Meeting, advance registration to speak will be available beginning Tuesday, September 23rd at 10:30 a.m. and will close on Wednesday, September 24th at 10:30 a.m. Anyone interested in speaking can sign up. After the 24-hour registration period, a lottery will randomly select a set number of speakers from those who registered. For example, if 100 people register, the lottery might select 30 of them to speak. This process gives everyone a fair chance to address the Board. Advance registration during this period is available by the following methods:

- Online: www.cpsboe.org (recommended)
- Phone: (773) 553-1600

To ensure equity of access to address the Board, an individual may not speak at back-to-back meetings and more than one meeting per month. If you register for back-to-back meetings and more than one meeting per month, you will not be included for that meeting lottery. In the event an individual registers to speak at a consecutive meeting, the individual will not be called to address the Board. However, if less than the allotted number of speakers register for a meeting, the limitation on speaking at consecutive meetings and/or more than once within a month will not apply, and those previously ineligible to speak will be reinstated in the lottery and may be eligible to speak.

Advance registration to observe will also be available beginning Tuesday, September 23rd at 10:30 a.m. and will close on Wednesday, September 24th at 5:00 p.m. or until all slots are filled. Advance registration during this period is available by the following methods:

- Online: www.cpsboe.org (recommended)
- Phone: (773) 553-1600

Office of the Board
42 West Madison Street, Garden Level, Chicago, Illinois 60602
T (773) 553-1600 F (773) 553-1601

Although Advance Registration is recommended, you can also register to observe a meeting on the day of a Board Meeting via:

- Same Day in Person Observer Registration: 42 W. Madison Street lobby
- Registration Time: Opens at 10:15 a.m. and will remain open for the duration of the Board Meeting

Same Day, In-Person Observer Registrations are taken on a first come, first serve basis as seats become available.

The Public Participation segment of the meeting will begin following the Committee Updates and proceed for no more than 30 speakers for sixty minutes. Speakers selected through the lottery will receive instructions for Public Participation.

Members of the public may submit written comments for Board of Education meetings via the Written Comments Form on the Board's website at www.cpsboe.org or mailed to 42 W. Madison Street, Garden Level. Written comments received between the day the public agenda is posted through 5 p.m. the day after the Board of Education meeting will be submitted to the Board and posted within five (5) business days on our website at www.cpsboe.org.

The complete, final Agenda of Actions from the September 10, 2025 Agenda Review Committee meeting and the August 28, 2025 Board meeting is on our website: <http://www.cpsboe.org/meetings/past-meetings>.

Sincerely,

Restrictions

Speaker Registration and Participation

1. Advance Speaker Registration Open Period:

- Unless otherwise noted in the notice for the Board meeting, the Advance Speaker Registration opens 48 hours before the meeting. This usually means registration opens at 10:30 a.m. on the Monday before a Wednesday Committee meeting and at 3:00 p.m. on the Tuesday before a Thursday Regular Board meeting.
- The Advance Registration Open Period will remain open for 24 hours.

2. How to Register:

- **Online:** Visit www.cpsboe.org (recommended)
- **Phone:** Call (773) 553-1600

3. Randomized Lottery for Speaker Selection:

In order to provide more equity of voice during the public participation segment, a randomized lottery will be conducted to select speakers for any meeting where the number of registered speakers exceeds the number of slots available.

- **Randomized Selection:** During a 24 hour registration period, anyone interested in speaking can sign up. After this time, a lottery will randomly select a set number of speakers from those who registered. For example, if 100 people register, the lottery might select 30 people to speak. This process gives everyone a fair chance to address the Board.
- **Number of Speakers:** The Board will allocate no more than 30 speaking slots to members of the general public to speak to the Board.
- **Notifications:** After the lottery, you will receive an email confirming whether or not you have been selected to speak. Instructions for participating in the meeting will also be provided.
- **Applicability:** The randomized lottery applies to all Board meetings where advanced registration is available. This system will not only apply to Board Meetings, but also to other meetings where advanced registration is available, such as Committee meetings and Hearings.

4. Participation:

Speakers who registered via the Advance Registration process will have the option to attend in person at the location of the Board meeting or via electronic/telephonic means.

5. **Limitations on Speaking:** To maintain a fair chance for speakers to address the Board, individuals may not speak at back-to-back meetings and may not speak at more than one meeting per month, with the exception noted below if less than the allotted number of speakers register.
 - If an individual registers for back-to-back meetings and/or more than one meeting per month, they will not be included for that meeting's lottery. This ensures more opportunities for the public to equitably address the Board.
 - However, if less than the allotted number of speakers register for a meeting, the limitation on speaking at consecutive meetings and/or more than once within a month will not apply, and those previously ineligible to speak will be reinstated in the lottery and may be eligible to speak.
 - Speakers may not cede their time to another person.
6. **Speaker Remarks and Submissions:**
 - Each speaker is given two (2) minutes to present their remarks and materials to the Board. Speakers must end their presentation upon the request of the Board Secretary when their time is up, to allow the next speaker to begin.
 - To comply with Chicago Municipal Code Chapter 15-4-880, which prohibits obstructions in exit ways, aisles, and passageways of public spaces to ensure safe and timely evacuation, the following guidelines will be enforced:
 - i. A maximum of 10 persons may stand with a speaker (5 on each side of the podium), and they must remain within the designated floor markings along the glass partition. All other aisles, walkways, and exits must be kept clear at all times. Obstruction of these areas is prohibited and may impede emergency response.
 - All public presentations must be limited to issues of concern before the Board and/or related to the Chicago Public Schools.
 - Comments of a personal nature, unrelated to the operations of Board or CPS, directed towards individual Board members, employees of the Board, or any other individual are not permitted.
 - It is the meeting chair's prerogative to limit the discussion of any speaker to allow for broad and diverse public participation.
 - All speakers must adhere to the [Behavior Expectations](#) in the following section.
7. **Order of Speakers:** The Board Secretary may group speakers according to a particular topic and may call certain speakers out of numerical order so that all comments regarding a particular topic may be heard together.

- Each union representative or elected public official is given five (5) minutes to present their remarks.
- Union representatives and elected public officials may not cede their time to another person.
- To ensure fairness to all participants, speakers not present when their segment begins will not be called upon after that segment has concluded.
- To comply with Chicago Municipal Code Chapter 15-4-880, which prohibits obstructions in exit ways, aisles, and passageways of public spaces to ensure safe and timely evacuation, the following guidelines will be enforced:
 - i. A maximum of 10 persons may stand with a speaker (5 on each side of the podium), and they must remain within the designated floor markings along the glass partition. All other aisles, walkways, and exits must be kept clear at all times. Obstruction of these areas is prohibited and may impede emergency response.

2. Interpreters:

- An interpreter will be provided for those speakers who wish to make their remarks in Spanish. and Spanish-language interpreters are available. If you need an interpreter for a different language, please notify the Board Office at least two (2) business days before the meeting.
- While speakers may choose to address the Board in Spanish, they will need to provide a written version of their statement the day prior to the meeting if they wish to have it translated into English during the meeting. Speakers who do not provide their statement in advance may still address the Board, but their statement will be translated and shared with Board Members at a later time.

Guidelines for Public Participation at Board of Education Meetings

24-0424-RS3 FINAL

3. Behavior Expectations:

- The Board values and welcomes courteous, respectful, and civil behavior from all speakers and all persons attending a Board meeting. The Board expects speakers to limit statements to those relating to the operations of the Board or CPS, and refrain from comments of a personal nature, unrelated to the operations of the Board and CPS. It is the meeting chair's prerogative to limit the discussion of any speaker to allow for broad and diverse public participation.
- Profane language, unsolicited comments, and disruptive behavior are prohibited. Individuals who are disruptive may be given a warning and may also be removed from the meeting, if necessary. If any individual is removed from a meeting as a result of disruptive behavior, the individual may forfeit their right of reentry to future Board meetings.

Written Comments and Other Participation

1. Submitting Written Comments:

- Even if you are not selected to speak during Public Participation, you can submit written comments. Complete the Written Comments Form on the Board's website or send your comments by mail to 1 N. Dearborn, Suite 950, Chicago, IL 60602. Unless otherwise noted in the public notice for the Board meeting, written comments must be submitted between the posting of the Board meeting agenda and 5 p.m. the day after the Board meeting for consideration by Board members and inclusion in the meeting proceedings.

2. Media and Recordings:

- The Board records the public participation portion of each Board meeting. The Board reserves the right to edit any and all portions of the recording from each monthly meeting. These recordings are aired on local cable channels for the convenience of the public. Members of the public can copy any portion of the public participation or business portion of the meeting from the televised broadcast or from www.cpsboe.org.
- An area of the Board Room will be designated for members of the media who wish to cover the Board meeting. This number may be limited in order to accommodate as many public participants as possible. Guidelines and requirements for media access to Board meetings are issued by the Office of Communications.

3. Spanish Language Interpretation and Captioning:

- To enhance accessibility, the Board is committed to implementing Spanish interpretation for online viewers and Spanish captioning for archived content as soon as practically possible.

**AMEND BOARD REPORT 02-0522-PO01
ADOPT POLICY ON AUDITOR INDEPENDENCE AND PROVISION OF CONSULTING SERVICES
BY EXTERNAL AUDITORS**

THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

That the Board of Education ("Board") amend Board Report 02-0522-PO01, Auditor Independence and Provision of Consulting Services by External Auditors, ~~in accordance with the biennial review requirements of Board Rule 2-6~~

POLICY TEXT:

The Board of Education of the City of Chicago (the "Board") finds that it is in its best interests as well as the best interests of the students, residents and taxpayers of the City of Chicago that the auditors of the Board's financial statements, programs and operations (the "External Auditors") be fully independent of any conflict of interest, whether perceived or actual. To that end, effective immediately, it is the policy of the Board that no External Auditor may be hired or retained by the Board except in accordance with the provisions of this Policy. This policy is modeled on the auditor independence requirements, as relevant and applicable, established by the United States ~~General Accounting Office~~ Government Accountability Office.

Section 1. The decision to hire any External Auditor requires the consent of the Board prior to the award of a contract to an External Auditor. Any contract between the Board and an External Auditor must clearly set forth the following items:

1. The full scope of services to be rendered by the External Auditor;
2. The exact amount of compensation to be paid to the External Auditors and how that compensation is to be paid;
3. An end date by which services are to be rendered in full; and
4. An acknowledgement by the External Auditor that it has received and reviewed this Policy and an attestation that it is unaware of any fact that would render the award of the contract to be in violation of this Policy.

Section 2. No contract for any audit services shall be awarded to an External Auditor who also has a contract to conduct or to assist the Board in conducting any work related to internal audit services.

Section 3. No contract shall be awarded for the auditing of any of the Board's financial statements, programs and operations to any firm, entity, company, partnership or the like if such contract would be in violation of or inconsistent with the ~~Corrupt Practices Act of the State of Illinois, the Ethics Act of the State of Illinois, Illinois Governmental Ethics Act, the State Officials and Employees Ethics Act, the Public Officer Prohibited Activities Act, or the Code of Ethics Policy of the Board.~~

Section 4. (a) No contract for consulting services shall be awarded to an External Auditor. Conversely, no entity performing consulting services for the Board shall be awarded a contract to perform services of an External Auditor. For purpose of this Policy, "consulting services" shall include any task or project that directly supports the Board's operations or management functions or requires the making of management decisions, including, but not limited to:

1. Developing or implementing financial systems;
2. Developing or implementing financial processes;

3. Determining account balances;
4. Processing transactions;
5. Providing appraisal or valuation services; and
6. Performing actuarial studies.

(b) Notwithstanding the foregoing subsection (a), a contract may be awarded to an External Auditor for services that will not impair its independence, such services shall include:

1. Providing basic accounting assistance limited to services such as drafting financial statements that are based on the Board's (or its management's) chart of accounts and trial balance and any adjusting, correcting and closing entries that have been approved by the Board (or its management); preparing draft notes to the financial statements based on information determined and approved by the Board (or its management); maintaining depreciation schedules for which the Board (or its management) has determined the method and rate of depreciation and salvage value of the asset;
2. Providing payroll services limited to services such as computing pay amounts for the Board's employees based on Board maintained and approved time records, salaries or pay rates and deductions from pay; generating unsigned payroll checks; transmitting Board approved payroll to a financial institution, provided that the Board (or its management) has approved the transmission and limited the financial institution to make payments only to previously approved individuals;
3. Providing advisory services on information technology limited to services such as advising on ~~system design~~, system installation and system security if the Board (or its management) acknowledges responsibility for the ~~design~~, installation and internal control over the Board's system and does not rely on the auditor's work as the primary basis for determining (a) whether to implement a new system, (b) ~~the adequacy of the new design~~, (c) ~~the adequacy of major design changes to an existing system~~, and (d) the adequacy of the system to comply with regulatory or other requirements;
4. Providing human resource services to assist management in its evaluation of potential candidates that are limited to activities such as serving on an evaluation panel to review applicants to provide input to the Board (or its management) in arriving at a listing of best qualified applicants to be provided to the Board or its management);
5. ~~Preparing routine tax filings in accordance with federal tax law and rules and regulations of the Internal Revenue Service, State and local tax authorities and any applicable laws;~~
6. Gathering and reporting unverified external or third-party data to aid the Board (or its management) in decision-making;
7. Advising an entity regarding its performance of internal control self-assessment ~~or implementing audit recommendations~~;
8. Providing training;
9. To the extent that it has performed work or rendered services directly related thereto, assisting the Board (or its management) with financial statement related presentations and reviewing and performing post-audit review procedures related to debt offering documents; and
10. ~~Providing the printing and mailing of the Board's Comprehensive Annual Financial Report and other financial reports.~~

Notwithstanding the foregoing exceptions, no contract, or series of contracts, for consulting services shall be awarded to an External Auditor if the aggregate compensation to be paid pursuant the contract or contracts exceeds the value of the compensation to be paid pursuant to its audit related services contract(s) by a factor of three.

Section 5. The Board may, by resolution, waive any of the restrictions contained in this Policy upon an affirmative vote of two-thirds of its members when the Board finds that, at least, two of the following conditions have been meet:

1. The entity to be awarded the contract is uniquely possessed on knowledge related to the subject matter of the contract;
2. The award of the contract to the entity is significantly in the best economic interest of the Board;
3. The entity is the sole source of the desired service; and
4. The impediment to the award of the contract is of a limited duration and would not be present 90 days hence.

Section 6. In the event that a contract is awarded to an External Auditor pursuant to Section 4(b) or Section 5, the External Auditor must submit to the Board, prior to execution of the contract, a written assurance that personnel who are performing audit services will be precluded from performing any related non-audit work and that personnel performing any related non-audit work will be precluded from performing any related audit work as well as an explanation of how its quality control system will ensure compliance with independence requirements. Any service rendered by an External Auditor pursuant to Section 4(b) or Section 5 must be audited by a party that is wholly independent of the External Auditor.

AMEND BOARD REPORT 03-1119-PO01**ADOPT POLICY ON IMPOSITION OF CHARGES ON RETURNED PAYMENT INSTRUMENTS****THE CHIEF EXECUTIVE OFFICER RECOMMENDS THE FOLLOWING:**

That the Board of Education ("Board") amend Board Report 3-1119-PO01, Imposition of Charges on Returned Payment Instruments.

PRESENT POLICY: Board Report 3-1119-PO01, Section 403.7, Adopted November 19, 2003

DESCRIPTION:

The Chicago Board of Education ("Board") and individual Chicago Public Schools ("CPS") receive payment instruments under a variety of circumstances including, but not limited to: health insurance payment under COBRA and Section 125; registration fees for professional development seminars; usage fees; ~~cell phone call reimbursements; pager placement fees; reimbursement for corporate cards; and student fees. There are numerous occurrences of these instruments being returned unpaid.~~ The Board and the individual schools are charged fees by the bank for every payment instrument that is returned for any reason, and there is no current policy to recover the fees and the processing costs incurred by CPS from the account holder or the beneficiary of the payment instrument.

POLICY TEXT:

Whenever a payment instrument is not honored by the bank due to insufficient funds, closed account, refer to maker, or for any reason whatsoever, the Board or the individual school ~~will~~ may charge the account holder, person or entity receiving the benefit derived from the instrument, including but not limited to CPS students and/or their parents/guardians, CPS school internal accounts, CPS personnel, CPS vendors and all other payment issuers, a \$34.00 processing fee in addition to the amount of the check to recover the bank fee(s) and any other processing costs pursuant to Chapter 2-32-070 of the Municipal Code of the City of Chicago. In collecting the \$34.00 processing fee and the payment instrument amount, along with any additional incurred costs, the Board or the individual school shall take no actions that violate the Illinois Wage Payment and Collection Act, 820 ILCS 115/9, or other applicable Illinois or federal law. This policy shall be made known to the payment instrument makers by the school or department accepting personal or corporate checks or other payment instrument. Schools should follow the procedures for handling returned checks as defined in the Insider's Guide to School Business and Internal Accounts Manual. ~~Money orders or cashier's checks are the preferred forms of payment as they alleviate most of the potential problems with returned unpaid items.~~

Reasonable cause standards for waiver of fees on returned unpaid instruments shall be guided by the following principles with questionable determinations to be made by the CPS Controller or school principal if they are recipients of the returned payment. "CPS Policy 408.1 Waiver of School Fees" should be referenced for guidance when determining if students are eligible to waive school fees. ~~The processing fee and any other costs incurred by the Board for an unpaid instrument shall not be charged to the account holder, person or entity receiving the benefit derived from payment if:~~

- ~~1. The payment instrument is returned by the account holder's bank/financial institution due to stale date of the instrument caused by CPS personnel not depositing the payment in a timely manner; or~~
- ~~2. The payment instrument is returned due to account closed if first deposit attempt occurs more than thirty (30) business days after the properly completed payment is presented to~~

~~CPS; or~~

- ~~3. The account holder has written (including email) authority from the Controller or school principal, if they are the recipient of the payment instrument, to place a stop payment on the check or other instrument and a replacement payment has already been received by the Controller, school principal or designated school official for deposit; or~~
- ~~4. Return of an unpaid instrument is proved to be due to an error by the financial institution; or~~
- ~~5. A forgery has been determined to have occurred by the appropriate officials (the police, the bank or CPS Inspector General), and is deemed to be the cause of the returned unpaid instrument. The department receiving the instrument in consultation with the CPS Controller will determine if the fraud caused the returned unpaid instrument.~~

Failing to properly complete an instrument by not fully executing the payment with all appropriate authorization detail will not qualify for consideration of waiver of returned unpaid instrument fees.

When any unpaid returned instrument fee is resolved either through payment, replacement of the original instrument, or waiver, whenever possible, the original will be returned to the account holder and a copy will be maintained by the CPS department or school.

This policy does not limit CPS' ability to file a police report for deceptive practices as defined by 720 ILCS 5/17 or seeking civil damages under 720 ILCS 5/17-1a in the amount of three times the amount of the returned instrument, in addition to attorney fees, court costs, interest and private agency collection costs for any goods, services, penalty payment or any type of benefit which has been received by the account holder or beneficiary of an unpaid returned instrument.

FINANCIAL REVIEW:

~~Implementation of this policy will incur no additional cost to the Board.~~

**AMEND BOARD REPORT 24-0926-PO3
PAID TIME OFF POLICY**

THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

That the Chicago Board of Education ("Board") amend Board Report 24-0926-PO3, Paid Time Off Policy. The amendments to the policy include new eligibility to carryover a maximum amount of unused sick leave hours for non-union employees.

PURPOSE: This policy provides for the accrual, accumulation, and use of paid vacation days, sick days, personal business days, and Short-Term Disability benefits by eligible employees in alignment with existing programs and practices, Board Rules, and state law.

POLICY TEXT:

This policy applies to CPS employees in a job category listed by the Chief Executive Officer ("CEO") or designee as benefits eligible, including those employees who are subject to a Collective Bargaining Agreement ("CBA") to the extent this policy does not conflict with the terms of the applicable CBA. ~~This policy does not apply to employees in a job category listed by the CEO or designee as not benefits eligible which includes, but is not limited to, part time, substitute, or retiree job categories.~~

I. Sick Days.

An employee may use Sick Leave when:

- Employee is ill or injured, or for the purpose of receiving professional care, including preventive care, diagnosis, or treatment, for medical, mental, or behavioral issues, including substance use disorders;
- An employee's family household member is ill, injured, or ordered to quarantine, or to care for a family member receiving professional care, including preventive care, diagnosis, or treatment, for medical, mental, or behavioral issues, including substance use disorders;
- An employee, or an employee's family household member, is the victim of domestic violence, or a sex offense, or trafficking, or a victim of a violent crime;
- Employee's place of business is closed by order of a public official due to a public health emergency, or the employee needs to care for a family household member whose school, class, or place of care has been closed;
- ~~Employees placed on suspension or otherwise placed on leave due to disciplinary reasons may not use paid sick leave.~~
- Employee obeys an order issued by the Mayor, the Governor of Illinois, the Chicago Department of Public Health, or a treating healthcare provider, requiring the employee to:
 - Stay at home to minimize the transmission of a communicable disease;
 - Remain at home while experiencing symptoms or sick with a communicable disease;
 - Obey a quarantine order issued to the employee;
 - Obey an isolation order issued to the employee.

For the purposes of this Section, "family household member" means the employee's parent, stepparent, grandparent, child, stepchild, foster child, grandchild, brother, sister, spouse, domestic partner or party to a civil union as defined in Board Rule 4-17, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, nephew, niece, uncle, aunt, and cousin.

Sick days may also be used in accordance with terms of the Board's Bereavement Leave (Board Rule 4-14).

Employees placed on suspension or otherwise placed on leave due to disciplinary reasons may not use paid sick leave.

Nothing in this section prohibits the Chief Talent Officer, as the CEO's designee, from authorizing additional paid time-off when appropriate in extraordinary cases where an employee's continued illness extends beyond the amount of their available paid time off. Employees must exhaust all applicable banked or accrued leave days (such as sick, vacation, personal business, or other paid time off) before requesting or taking a "zero day" (a day off without pay). Non-unionized staff may use sick leave in a minimum of two (2) hour increments. Unionized staff may use sick leave in a minimum of two (2) hour increments unless stated otherwise in an applicable collective bargaining agreement.

A. *Sick Day Bank* - Sick days are ~~granted (front-loaded)~~ front-loaded to an employee that is actively reporting to work at a rate of one day per scheduled full month worked and are maintained in the employee's Sick Day Bank. Teachers who are at the maximum step of the salary schedule and have at least thirteen (13) years of full-time teaching experience receive one (1) additional sick day per year. Teachers who are at Step 13 on the salary schedule and have at least eighteen (18) years of full-time teaching experience receive two (2) additional sick days per year. For new employees hired after the start of the fiscal year, a prorated number of sick days will be granted in their Sick Day Bank, following a thirty (30) calendar day waiting period that begins on the date of hire. If an employee is on leave at the beginning of their scheduled work year, the sick days will be granted upon their return to work at a prorated rate. Days granted at the beginning of the fiscal year may not be used unless the employee is actively reporting to work. Employees must exhaust all applicable banked or accrued leave days (such as sick, vacation, personal business, or other paid time off) before requesting or taking a "zero day" (a day off without pay). Employees who move from one union to another may use any banked days once their current sick days are exhausted in accordance with section VII. Exhaustion Hierarchy While on a Paid Leave of Absence in this policy.

~~Front-loaded sick days that a non-union employee does not use on or before June 30th of the fiscal year in which the sick days were earned will be removed from the Sick Day Bank and forfeited. Any days in the Sick Day Bank that an employee does not use on or before the date their employment ends will be forfeited.~~

Non-union full-time employees

Sick time is front-loaded for non-union employees. At the beginning of the fiscal year, eight (8) hour employees receive ninety-six (96) hours and are eligible to rollover up to twenty-four (24) unused Sick hours in the next fiscal year. Seven (7) hour employees receive eighty-four (84) hours and are eligible to rollover up to thirty-six (36) unused Sick hours in the next fiscal year. If the maximum hours are in the bank, no additional hours will roll over. Employees that start employment after July 1st will receive sick time front-loaded on a prorated basis based on their hire date. These hours are not eligible for pay out at the end of employment.

Sick day advancement

If a newly hired employee requests to use a sick day(s) before the sick day(s) is made available for usage, it will only be granted if the employee agrees, in writing, that in the event the employee resigns or is otherwise separated from employment after having been paid for sick days before they are granted, the CEO or designee may deduct the amount of paid unearned sick days from any final compensation due to the employee, including any final payout of vacation days on separation. Any sick days used before they are made available for usage will be deducted from the initial amount granted into the employee's bank. CPS may request that the employee submit a provider note to qualify for advance sick day use in this paragraph. Part-time union and non-union seasonal/miscellaneous/hourly employees are not eligible for sick day advancement under this Section.

Part-time union and non-union seasonal/miscellaneous/hourly employees

- Shall accrue sick leave in the amount of one hour for every thirty-five (35) hours worked ~~following a thirty (30) calendar day waiting period that begins on the date of hire~~ from the date of hire, employees are eligible to use the time following a thirty (30) calendar day waiting period; (up to 40 hours in a 12-month period). Unused sick leave hours on or before the end of the fiscal year in which the sick time was accrued will carry over to the next fiscal year (up to eighty (80) hours) maximum in a 12 month period. If the maximum hours are in the bank, no additional hours will roll over. These hours are not eligible for pay out at the end of employment with Chicago Public Schools.

~~Accrued and unused sick time may carry over into the next fiscal year up to eighty (80) hours max.~~

Special Note: In the event that an employee transfers from a unionized position to a non-union, 52-week position, the sick time earned while in their unionized position will be maintained in a separate Sick Day Bank, and available for use. ~~This sick time may be available for use while on an approved Leave of Absence and in the event that the employee exhausts their allotted central office/non-union sick days. They may use the accrued sick time upon their return to an equivalent unionized position, assuming that position accrues or is granted sick time at a rate other than 12 days per fiscal year.~~

B. Paid leave for part-time union and non-union seasonal/miscellaneous/hourly employees. Part-time union and non-union seasonal/miscellaneous/hourly employees will accrue one (1) hour of paid leave for every thirty-five (35) hours worked, from the date of hire (up to forty (40) hours in a 12-month period) to be used as needed after the 90th calendar day of employment. Paid leave hours that an employee does not use by the end on or before June 30th of the fiscal year in which the paid leave days were earned will be carried over to the next fiscal year (up to sixteen (16) hours in a 12-month period). If the maximum hours are in the bank, no additional hours will roll over. When an employee separates from service or does not receive an assignment for sixty (60) days they may request a pay out of their unused paid leave hours not to exceed seven (7) days maximum. If an employee moves from a seasonal/miscellaneous/hourly position to an eligible position that front-loads paid leave hours will be paid out. Employees placed on suspension or otherwise placed on leave due to disciplinary reasons may not use paid leave.

Paid leave requests for part-time employees will be evaluated and granted on a case-by-case basis. Approval will depend on maintaining the continuity of operations within the department, school, or district-wide, considering factors such as staffing requirements, sufficient student coverage, critical school/department activities, and the impact on services. Requests will be considered on a first-come, first-served basis.

Paid leave for part-time employees should be requested in writing in advance, according to the guidelines set by the school or department, and must not be submitted more than seven days before the intended leave date, except in unforeseen circumstances. In cases of unforeseen circumstances, the request should be made as soon as possible so that these requests can be evaluated to determine if granting the request will negatively impact maintaining continuity of operations. If the request is denied, the denial must be provided in writing, including the rationale for the decision.

C. Grandfathered Sick Day Bank. For employees hired before July 1, 2012, with an existing bank of accumulated unused sick days as of June 30, 2012, such sick days were retained in a Grandfathered Sick Day Bank for use by the employee. Upon resignation or retirement, unused days remaining in the employee's Grandfathered Sick Day Bank are subject to the payout provisions set out in Section I.H. of this Policy. Employees with a Grandfathered Sick Day Bank who are laid off or who resign and return to service within one year of separation will have a restoration of their unpaid accumulated sick days in their Grandfathered Sick Day Bank at time of separation.

D. Transfer of Sick Days Earned at Other Agencies. For new employees, the CEO or designee will not accept the transfer of accumulated sick days earned as a full-time employee of the City of Chicago, Chicago Housing Authority, Chicago Park District, County of Cook, Cook County Forest Preserve District, Metropolitan Water Reclamation District of Greater Chicago, School Finance Authority, City Colleges of Chicago or the State of Illinois ("other agency"). For employees with an authorized transfer of other agency sick days occurring prior to July 1, 2012, such days are maintained in an Other Agency Sick Bank for use by the employee. Upon resignation or retirement, unused days remaining in the employee's Other Agency Day Bank are forfeited and are not subject to payout.

E. Sick Pay. Employees who use their sick days (whether Sick Days, Grandfathered Sick Days or Other Agency Sick Days) will be paid their regular daily rate of pay for the sick day at the time the sick day is taken. Teachers on extended programs, including 8-hour day positions and regularly scheduled classes authorized on an overtime basis (but not including classes established after regular school hours to supplement the regular program, such as

after-school classes in reading and arithmetic, driver training programs, evening school programs and social center programs), will be entitled to extended-day pay when absent if entitled to sick pay for the normal school day under the provisions of this policy.

F. Physician's Certificate. If a supervisor has a reasonable suspicion that an employee is abusing sick days after being absent for more than three (3) consecutive work days, the Employer may require documentation to substantiate that the use of Paid Sick Leave was authorized in accordance with Board Policy and under applicable law. Any employee who is absent for more than three (3) consecutive work days must provide a certificate of treatment from a physician, or if the treatment is by prayer or spiritual means, from the advisor or practitioner of such employee's faith. If a supervisor has a reasonable suspicion that an employee is abusing sick days, they may demand that the employee provide a certificate that the employee has received treatment from a physician, advisor or practitioner regardless of the number of days of absence. An employee found abusing paid sick leave may be subject to discipline up to and including termination.

G. Returnees from Military Leave. Employees who return from military leave within sixty (60) days after they are honorably discharged will receive credit for the purpose of sick day allotment for the period of their military leave, as if they had been continuously in the service of the Board.

H. Failure of Notice of Return to Service. When a teacher, or other employee category where a substitute is assigned, reports for duty after a temporary absence without giving notice to the school by 2:00 p.m. the day prior to their return to duty and a substitute has been sent to the school, the amount paid to the substitute for one-half (½) day service will be deducted from the salary of the teacher.

I. Payout of Grandfathered Sick Day Bank Upon Qualifying Event. The CEO or designee will pay an eligible employee all or part of their Grandfathered Sick Day Bank as set out below.

1. **Qualifying Event and Payout Percentage.** An employee is eligible to receive a full or partial payout of their Grandfathered Sick Day Bank based on a qualifying event as follows:

Qualifying Event	Percentage to be Paid Out
Resignation or retirement with 33.95 or more years of Board service	100%
Resignation or retirement with at least 20 but less than 33.95 years of Board service	90%
Resignation or retirement at age 65 with less than 20 years of Board service	85%
Employee's Death	100%

2. **Payout of Grandfathered Sick Day Bank to 403(b) Tax Deferred Compensation Plan for Certain Eligible Employees.** Effective July 1, 2004, in lieu of the amount payable to an eligible employee who (i) separates from service with the Board and who, upon such separation, is eligible to receive a service retirement pension pursuant to Section 17-116 of the Illinois Pension Code or an annuity pursuant to Sections 8-130, 131, or 132 of the Illinois Pension Code, and (ii) who has the equivalent of two thousand (\$2,000.00) dollars or more in his/her Grandfathered Sick Day Bank at the time of separation, the Board will contribute on behalf of an eligible employee to the Chicago Public Schools 403(b) Tax Deferred Compensation Plan (the "Plan") an amount equal to the lesser of (i) the applicable unused Grandfathered Sick Day Bank pay equivalent amount payable under Section I.H. of this Policy, or (ii) \$80,000 (the "Contribution"). If the eligible employee has not contributed to the Plan at the time of

his or her separation, the Board will select a Plan Service Provider pursuant to its established guidelines. Because of the limitations imposed by Section 415 of the Internal Revenue Code of 1986, as amended ("IRC"), the Contribution in the year of separation will be the lesser of (i) the IRC limit less any amount of elective deferrals that the eligible employee may have made to the Plan in the year of separation, or (ii) the total unused days in the employee's Grandfathered Sick Day Bank. If the full Contribution cannot be made to the Plan in the year of separation, then additional installments of the Contribution (up to the IRC limit for each year) must be made no later than March 31 of each succeeding calendar year following the calendar year in which separation occurs, up to five years, if necessary. The amount of each installment must not exceed the amount allowable under IRC Sections 403(b) and 415. Any amount in excess of the Contribution or below the minimum Contribution amount that would be payable under Section I.H. of this Policy will be paid directly to the eligible employee at the time of separation.

II. Short Term Disability Benefits. In the event an employee is unable to work due to the employee's non-occupational injury, sickness or pregnancy the employee may apply for a Short-Term Disability ("STD") benefit. Under the STD plan, an employee may continue to receive a full or partial salary for up to ninety (90) calendar days in a rolling 12-month period. An employee's eligibility for STD benefits is subject to the applicable conditions and prerequisites specified in the STD plan issued by the CEO or designee including those related to the use of sick days, filings under the Family and Medical Leave Act, physician documentation and coverage exclusions. For new employees, STD eligibility begins on the first calendar day of the month following a 60 calendar day waiting period that begins on the date of hire.

III. Personal Business Days. Employees, other than part-time union and non-union seasonal/miscellaneous/hourly, are granted an allotment of three (3) personal business days ("Personal Day(s)") annually during the first payroll period of the fiscal year in July. New employees are granted three (3) Personal Business Days prorated according to their date of hire as follows: those beginning employment between July 1 and September 30, three (3) days; those beginning employment between October 1 and March 31, two (2) days; those beginning employment between April 1 and May 31, one (1) day; and, those beginning employment between June 1 and June 30, zero (0) days. New employees will receive their allotment of Personal Business Days following a sixty (60) calendar day waiting period that begins on the date of hire. Employees forfeit the Personal Business Days that are not used within the same fiscal year the Personal Business Days are granted.

Personal business days will be evaluated and granted on a case-by-case basis. Approval will depend on maintaining the continuity of operations within the department, school, or district-wide, considering factors such as staffing requirements, sufficient student coverage, critical school/department activities, and the impact on services. Requests will be considered on a first-come, first-served basis.

Personal business days should be requested in writing in advance, according to the guidelines set by the school or department, and submitted seven days before the intended leave date, except in unforeseen circumstances. In cases of unforeseen circumstances, the request should be made as soon as possible to evaluate whether granting the request will negatively impact maintaining continuity of operations. If the request is denied, the denial must be provided in writing, including the rationale for the decision. Employees must exhaust all applicable banked or accrued leave days (such as sick, vacation, personal business, or other paid time off) before requesting or taking a "zero day" (a day off without pay).

IV. Vacation Days.

A. Accrual of Vacation Days.

1. *Teachers and Employees Employed For Less Than 52-weeks.* Teachers and employees employed for less than 52-weeks, including appointed and temporarily assigned teachers, receive up to ten (10) days of paid vacation per year, five during the Winter Recess and five during the Spring Recess as designated in the Academic Calendar. A new teacher or employee in a position with an employment period of less than 52-weeks per year, less than 12 calendar months per year ~~or less than 13 school months per year~~, is eligible for three (3) paid vacation days for Winter Recess based on formulas in applicable collective bargaining agreements. Vacation days under this section must be used and do not accumulate.

2. Educational Support Personnel and Officers. Effective January 4, 2021, educational support personnel and certificated administrators accrue vacation days each pay period at the accrual rate provided below unless the employee has reached their maximum accrual amount. Effective January 4, 2021, the General Counsel, the Board Secretary, Executive Officers, and Officers accrue vacation days each pay period at the accrual rate provided below unless the employee has reached their maximum accrual amount.

Years of Service	Accrual Rate	Maximum Accrual
For service up to and including ten (10) years	.0577 days per day paid, not to exceed three (3) weeks or fifteen (15) days per year	25 days
For service eleven to twenty (20) years inclusive	.077 days per day paid, not to exceed four (4) weeks or twenty (20) days per year	30 days
For service for twenty-one (21) or more years	.097 days per day paid, not to exceed five (5) weeks or twenty-five (25) days per year	35 days

Once the applicable maximum accrual of vacation days has been reached, no additional vacation days will be accrued by the employee until the balance of unused vacation days falls below the applicable maximum accrual.

B. Vacation Day Use and Pay. Vacation may be taken at a time approved by the employee's department head or designee. Employees will be paid their regular daily rate of pay for their Vacation Days at the time the vacation is taken. Whenever possible, teachers and staff should schedule vacation activities during their pre-defined vacation periods of Winter and Spring Breaks. Employees must exhaust all applicable banked or accrued leave days (such as sick, vacation, personal business, or other paid time off) before requesting or taking a "zero day" (a day off without pay).

C. Prior Board Service. Employees who are laid off or who resign and return to Board employment within one year of separation will have a restoration of their prior Board years of service for vacation accrual purposes.

D. Outside Public Agency Service. Effective July 1, 2012, service credit adjustments shall not be made for new employees who were previously employed by the City of Chicago, Chicago Housing Authority, Chicago Park District, County of Cook, Forest Preserve District, Metropolitan Pier and Expositions Authority, Metropolitan Water Reclamation District of Greater Chicago, School Finance Authority, Chicago Transit Authority, City Colleges of Chicago or the State of Illinois. Any service credit adjustment for prior employment with the above-noted agencies authorized for an employee prior to July 1, 2012 in accordance with the rules and policies then in effect will be maintained until the employee separates from employment. Employees with previously-approved service credit adjustments who are laid off or who resign and return to service within one year of separation will have a restoration of their prior service credit adjustment.

E. Final Payout of Accumulated Reserve Vacation Benefit Days. An employee with unused and accumulated reserve vacation benefit days and/or RS2 vacation benefit days that were awarded to the employee under prior policies and rules (collectively referred to as "Reserve Days") will be paid for such accumulated Reserve Days at the employee's prevailing salary with such final payout occurring as part of the last full pay period of FY2014. Upon payment, Reserve Days will no longer be awarded or held in a benefit day bank for employee use.

F. Payout Unused Vacation Benefit Days. If an employee separates from Board service they are entitled to receive payment after separation for all unused vacation days at the employee's prevailing salary. An appointed teacher or temporary assigned teacher who is displaced will be paid out any earned and unused vacation pay in accordance with formulas and eligibility criteria set forth in applicable collective bargaining agreements. In the event of an employee's death, the surviving spouse or estate is entitled to receive payment for all of the employee's unused vacation days at the employee's prevailing salary. An employee transferring either from a school month to a calendar position or from a calendar to a school month position will receive payment for accumulated vacation days at the rate of pay immediately prior to the transfer.

G. Military Service. Employees who have returned from military service and who resume work with the Chicago Public Schools within sixty (60) days after a discharge other than dishonorable are considered as having been continuously in the service of the Chicago Public Schools during the period of such leave. The employee will not earn vacation days during the period of the employee's military leave of absence.

V. Holidays

- A. Employees otherwise scheduled to work shall not be scheduled to work on Board holidays, except as necessary for the security and maintenance of facilities. Holidays that fall on a Sunday shall be observed on the Monday following the holiday. Holidays that fall on a Saturday shall not be observed. Reference the academic calendar for Board's paid holidays.
- B. *Holiday Pay and Conditions for Holiday Pay.* Employees, other than substitute teachers, and part-time/seasonal employees shall be paid their regular pay for the holiday. In the case of teachers, "regular pay" includes pay for extended day and regularly scheduled classes authorized on an overtime basis. To be eligible for holiday pay, employees must work either the day before or the day after the holiday, unless the employee has been approved to use benefit time on those days. Other eligibility requirements may be established by collective bargaining agreements or Board policies.
- C. *Religious Holiday Benefit Days (RHL).* Religious Holidays. Employees, other than substitute teachers, and part-time/seasonal employees shall be granted an allotment of three (3) paid religious holiday benefit days during the first payroll period of the fiscal year in July for the observance of religious holidays. New employees will receive their allotment of religious holidays following the first pay period after their date of hire. Employees forfeit the Religious Holiday Benefit Days that are not used within the same fiscal year the Religious Holiday Benefit Days are granted. Unused religious holidays are ineligible for payout upon employment separation. Religious holidays shall not be considered an absence, provided that the employee must give written notice to their supervisor at least ~~seven (7)~~ fourteen (14) calendar days in advance of non-attendance for the religious holiday. Approval for these requests will be at the discretion of the principal or manager, taking into account operational needs such as staffing requirements, maintaining student coverage, critical/department activities, availability of substitutes, and impact on services. Social, political, or economic philosophies, or personal ideological preferences, do not qualify as "religious" beliefs under this provision, provided, school administrators shall make best efforts to reasonably approve requests for religious holiday benefit time. If an administrator claims operational need prevents approval of a request, notice of the denial shall be provided in writing, no later than seven (7) days before the holiday, specifying the reasons for the decision and any potential alternatives or options available to the employee, including the opportunity to secure their own substitute coverage. Employees must be actively reporting to work in order to use the religious holidays. They are not eligible for use while an employee is on a leave of absence.

VI. Credit Adjustments

A. *Years of Service and Adjustments to Service Credit.* The calculation of an employee's years of service with the Chicago Public Schools is based on full-time service only and is subject to the accounting procedures and requirements established by the CEO or designee. The following adjustments apply when determining an employee's years of service for vacation accrual purposes.

VII. Exhaustion Hierarchy While on a Paid Leave of Absence

For any applicable paid leave or paid leave benefit where employees are required to use benefit days, the following chart outlines the order in which benefit days must be used (note that if employees are not eligible for the type of benefit day listed, the next type will be used). Employees who are on leave when sick days are granted, will receive the grant of prorated days based on their return to work date.
